The Star Scale

Done with assistance  
Done with direction  
Done independently

I Will Need

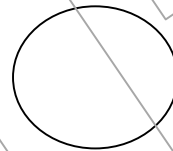

Learning Intention:

I am learning to think about how the characters felt.

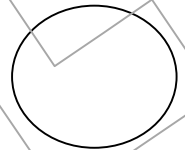

# Little Bulldozer helps again

1. Draw a face in each circle to show how Little Bulldozer felt.

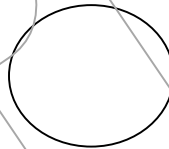

Big Bulldozer is going to make a road.

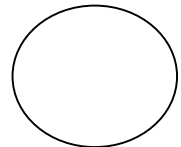

Day after day Little Bulldozer cannot help make the road.

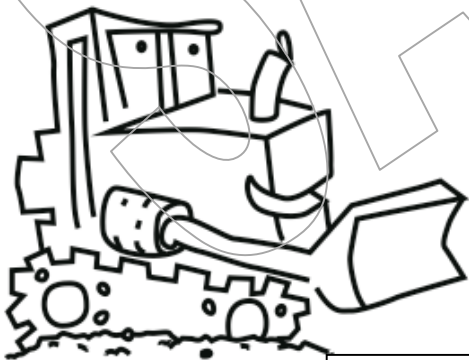

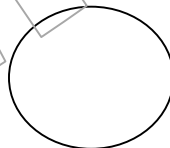

Big Truck gets stuck in the mud.

Little Bulldozer went all the way to Big Truck with the rope.

Big Truck is out of the mud.

2. Discuss with a buddy some other ways Little Bulldozer could help make the road.

I can.....

I am learning to.....
