I Will Need

Learning Intention:

I am learning to read aloud and use my voice to show how the characters are feeling.

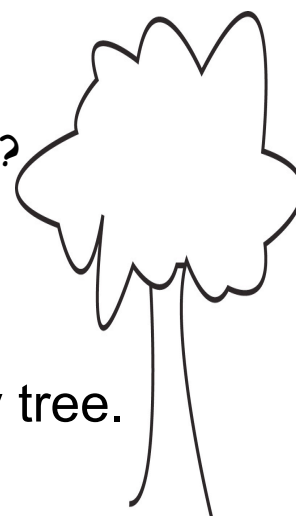

# A Good Idea

1. Read the emotion words in the boxes.  
Draw each of the animal's faces, showing the emotion.

Sad Rhinoceros	Happy Warthog	Tired Antelope	Surprised Zebra
-------------------	------------------	-------------------	--------------------

2. Read the paragraph below out loud to a friend.  
What type of voice will you need for Rhinoceros?  
\_\_\_\_\_

At last, along came Rhinoceros.  
There was no more room under the shady tree.  
"Finding the shady tree was my idea,"  
he said sadly.
